18 March 2020

Dear Andy,

Congratulations to everyone at your school on your excellent performance last year. I'm delighted to announce that your school has won an SSAT Educational Outcomes award for being in DfE Band 2 for student progress at key stage 4.

SSAT is committed to recognising the successes of schools in improving the lives of children, and the Educational Outcomes Awards are one way that we do this. Exclusive to SSAT members, the awards celebrate the high standards of teaching and learning, outstanding support and inspirational leadership of students, staff, parents and governors in schools across the SSAT network.

**The Educational Outcomes Database – exclusive to SSAT members**

The awards are based on data available in this database – a unique performance analysis tool combining DfE and Ofsted sources, showing data for every state-funded school in the country. You can access the database at [ssatuk.co.uk/the-exchange](https://ssatuk.co.uk/the-exchange). To see specific details of your school's performance, apply the relevant filters on the spreadsheet. If you need any help using the database, please email your Relationship Manager on [RMteam@ssatuk.co.uk](mailto:RMteam@ssatuk.co.uk).

**Celebrate your success at a regional SSAT Educational Outcomes Awards ceremony**

I'm delighted to invite you to a celebration event currently planned for next term where you will be presented with your award, alongside other high-performing SSAT member schools. Your Relationship Manager will be in touch with further details on the date, venue and information on how to book your place.

**Share your school's success**

You will receive an Award Winner logo which we encourage you to add to your school website, stationery, signage and promotional materials to visibly display your achievement with your wider networks. There will also be an accompanying press release for you to share with your local press and community celebrating your success.

Congratulations once again from everyone at SSAT to you, your team and your students. I look forward to meeting you at your regional awards event.

Best wishes,

A handwritten signature in black ink that reads 'Sue Williamson'.
