Dear Parent/Guardian

Talaxy Parent Portal

This year we are launching a new parent portal system called Talaxy.

Through Talaxy you can see your son or daughters' timetable, linked documents, behavior and achievement points. The link to access Talaxy can be found at <https://tqa.talaxy.app>. Talaxy is a secure on-line system which means that parents/carers can log onto the website using a personal username and password to access up to date information about your child's progress in school.

I have attached instructions on how to set up your account on Talaxy, and a guide on the features that is accessible through the portal. If you have any queries or require further support to access the Talaxy portal, please contact Talaxy@thequestacademy.org.uk

The Quest Academy values the partnership with parents and families greatly, and we understand the importance of regular communication as part of this partnership. Through letters, information and contact with the year group teams, we will endeavor to keep you updated on both Academy events and issues and also your own child's personal development. We hope that Talaxy can support this partnership by allowing you to see key information daily.

Yours sincerely

Mr. T Beecham
Deputy Principal
