11th May 2026

Dear Parents/Carers

I hope that you are enjoying the slightly brighter weather now that meteorological spring has begun.

Next year we are going to slightly amend the internal structure of our day.

There is no change to the start or finish times.

Internally we will be splitting tutor time between the morning and afternoon sessions, focusing on reading at the start of the day. Research has shown how beneficial this is. This will also allow students to meet their tutors at the two crucial transition points for the day.

Secondly there will only be one lesson after lunch.

The new plan for September 1st 2026 is:

Timings of the Day 2026-2027
