

ACR/gb

June 2026

Dear Parent/Carers,

Remote Learning Notification

Due to the continuing exceptionally hot weather (37 degrees is predicted on Wednesday), I have decided to move the school to **remote learning** on Tuesday, Wednesday and Thursday of this week.

Students should not attend school on these days.

Work will be set on Google classroom and wherever possible live lessons will be provided to support continued learning.

Any trips planned for these days will also not go ahead.

Friday will be a normal on site day. Summer dress regulations will remain in place for the rest of the academic year: ties and blazers are not required.

I apologise for any inconvenience over the next three days, but I have balanced this against the safety advice I've received from the Met office stating that a red weather warning has been put into place asking people to stay at home.

I do hope you are able to have a reasonably comfortable week in the circumstances.

Yours faithfully

Mr. A. Crofts
Executive Principal
